Subject - Establishment of a Municipality for Belakvadi village Malavalli Taluk

Sir

I have the honour to state that Inam Belakvadi village in the Malavalli Taluk has a population of 5817 (more than that of Hunsur which was converted into a Town Municipality recently) and it is found desirable to establish a Minor Municipality therein for the better administration of the affairs in the village As required in section 8 of the Municipal Regulation, the proclamation calling for objections, if any, for the establishment of a Municipality in Belakvadi was caused to be published in the Mysore Gazette of the 18th November 1926 both in English and Kannada Copies of the proclamation were posted up in conspicuous place in the local area also No objections of any kind have been received in this office against the proposal I request therefore that sanction of Government may kindly be obtained for the establishment of a Minor Municipality in the said village and that necessary notification may be caused to be issued

2 Copies of the proclamation (Kannada and English) are enclosed for favour of perusal

This is the first time this proposal comes up before Govt. The Govt. has himself caused a reference to be published with regard to the legality & practical objections & wants remarks from the Constitutional point of view. Under Rule 8, of the Rules & Regulations the Govt. has announced his intention of converting the village into a Municipality & the Council to be established by the Govt. The procedure adopted by the Govt. is not correct & is a usurpation of the powers of Govt. This may perhaps be pointed out & then if the Govt. is satisfied the intention, constitution of the village into a Municipality may then be published by Govt & objections if any invited, which part of the mandate or mandate & the Govt. is asked to consider the objections received if any & frame rules in accordance (2) of Govt. & with comments
